

# Therapeutic Summer Camp for children with social and emotional challenges

From Quest Therapeutic Camps & JFCS Counseling Services

## Quick Facts

- Children and adolescents attend the summer program at Community Day School in Squirrel Hill, Monday - Friday, from 9 a.m. - 3:30 p.m.
- Children are grouped based on age & ability
- Each child receives an individualized treatment plan
- Direct therapeutic intervention by trained staff hour-by-hour
- One hour of small-group therapy held once a day, to focus on individual goals & group dynamics
- Evening parent group meetings are held bi-monthly
- Camp activities include sports, arts and crafts, drama, science, swimming and field trips

## About Quest Camps

For more than 20 years, Quest Camps have provided innovative treatment programs for children aged 6-18 years old. Thousands of children have made dramatic improvements in behavioral, emotional, and social functioning because of Quest's unique system that combines recreational activities, behavioral milieu therapy, and group psychotherapy.

JFCS Counseling Services first partnered with Quest Therapeutic Camps to bring the program to Pittsburgh in summer, 2012.

The Quest Summer Camp Program offers an opportunity for children to learn, grow, and increase confidence within a day camp setting. A range of diverse and engaging activities allow children to strengthen the critical skills associated with emotional and social intelligence, in a safe, fun, and supportive summer camp environment.

## Session Information

- Program runs weekly, June 18 - August 3
- Tuition: \$750/week
- Minimum of three weeks
- Discount pricing available with registration of four or more weeks
- Group therapy may be reimbursed by your insurance company

## For More Information

Contact Quest Camp Director April Artz at [aartz@jfcspgh.org](mailto:aartz@jfcspgh.org), or call 412-877-7528. Email preferred. Please include the following information with your inquiry: referral source (if any), child's age and school placement, and if enquiring about the after school or summer camp program.

## How to Register
